RE: Progress Memo 3 – Water Efficient Urinals

On Monday, July 28th, 2014, Senior Engineering Technician, Armondo Hodge received a response e-mail from ValBetti Plumbing. The e-mail provided the expected cost for the replacement of all small urinals (1.0-gpf) and all large urinals (1.5-gpf) excluding the urinals contained within the Administration Building Lobby restroom. ValBetti Plumbing also requested to schedule a site visit on Friday, August 1st, 2014.

NEXT STEPS

Meet with Tom (ValBetti Plumbing) to visit the project site locations on Friday, August 1st, 2014.
